

AfA Board Minutes April 10th, 2019

Those present: Stacey Thater, Jim Twellman, Wayne Clark, Randy Gettman, Meghan Ayendott, Nancy Clark, Marvin Stewart and ~~Gene Lindsey~~

Roll Call was held and a quorum was established. Presentation of the Notice of Meeting was made and no minutes from the previous meeting were distributed.

Executive Director Twellman presented updated quarterly documents. Highlights included the purchase of a new 8" telescope and a donated 8" Celestron telescope. A display case is being made for a small meteorite exhibit and the notice of the County Parks recognition dinner this evening. Alfred Schonavez received his master observer award from the Astronomical League. The upcoming MSRAL convention will be held in Kansas City from June 14-16. Plans are being made to commemorate the 50th anniversary of the Moon landing. Boeing ECF is exploring leasing adjacent property to the current park.

New business included a thank you to Conoco Phillips for their donations through the ED's volunteer hours. The formation of a new Girl Scouts observing club and the possible acquisition of a pop-up shelter for ASEM activities.

The meeting was adjourned on a motion by Gettman and a second by Ayendott. The next meeting will be July 10, 2019 at 5 p.m.
